CISCO PCI Compliance Advisor
Payment Card Industry Data Security Standard

Are You PCI Compliant?

In 2006, the Payment Card Industry (PCI) Data Security Standard was introduced. PCI outlines 12 requirements to provide credit card security and protect customer data. This tool will show you the threats facing your network and how the Cisco Self-Defending Network will help protect your business and guide you toward PCI compliance.

After completing the tool, you can download Sustaining Compliance, a 'best in class' research report by the Aberdeen Group. To begin, please provide us with some basic information:

- 1
- 2
- 3

Examples of just:

- Education
- Entertainment
- Finance
- Government
- HealthCare
- Hospitality
- Insurance
- Manufacturing
- Retail
- Other

Finance Solutions

Teleworking and mobility solutions provide many benefits to the financial services industry. These benefits include:

- Lowered real estate costs and overhead
- Improved employee satisfaction, and
- Increased worker productivity

Security and regulatory compliance is an issue in any financial sector. These concerns are resolved through proper remote access security controls and policies.

Potential Savings

Enter your company's values below:

| | |
|---|-----------|
| Number of employees considered for this teleworking initiative: | 1,561 |
| Average employee salary (per year): | 75,000 |
| Average round-trip commute time of your employees (in minutes) per day: | 50 |
| Average annual business revenue (per year): | \$500,000 |
| Percentage of employees with children in offices: | 85 |

Cost Savings

Total saved (USD): \$10,302,600

Workforce Productivity

Total saved: \$4,390,308

Business Continuity

Potential Losses Prevented (USD): \$1,610,616

Green Initiatives

Total CO2 Emissions Prevented: 4,306,972 lbs CO2

Employees Personal Savings

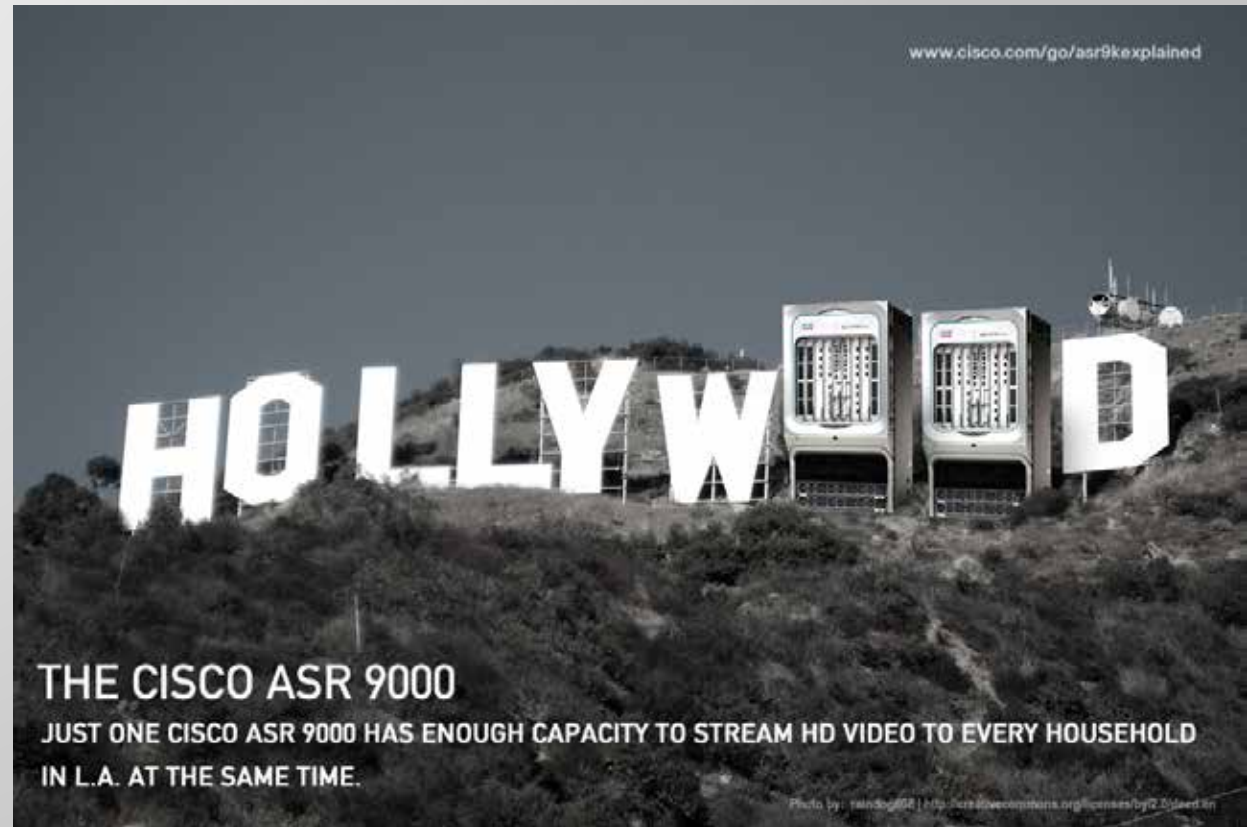

Teleworking may provide many tangible cost savings for your employees, e.g. fuel costs, bridge tolls, and parking fees.

| | |
|--|-----|
| How much do you spend on parking (per month): | 150 |
| How much do you spend on bridge tolls (per month): | 25 |
| How much do you spend on gas (per month): | 80 |

Total Saved: \$3,000
Calculation = [parking] + [tolls] + [gas] x 12 months
